COSTUME DEPOSIT INFORMATION

We will have deposits on the recital costumes this year. Costume prices will include required tights. Extra tights may be purchased from the studio to ensure all tights are the same color for performances. The deposit will go towards the costume prices that will be given to you in early December. This will help you to pay the costumes on a payment plan rather than having the balances due so soon after Christmas. The deposits are scheduled as follows:

November 10 th	\$20 towards each costume that will be ordered*
December 10 th	\$20 towards each costume that will be ordered
January 10 th	Costume balance due

For example: Say that your child is taking the preschool combo which will include 2 costumes and 2 pairs of tights. If their total balance for costumes and tights was \$115 this is how your payment plan would work out:

November 10th \$40 December 10th \$40 January 10th \$35

Please write COSTUME DEPOSIT on the memo portion of your checks.

If you have any questions, please see Miss Jodi before November 10th. Thank you!
